About This Game

HorD is an arcade highscore-driven Twin Stick Shooter set in a dystopian Drug Film universe. The player is ordered by the ominous "Chick" to collect samples of a new drug named FLOW, but instead ends up using it, creating a drug-induced gorefest and fighting his own nightmares.

- Fast-paced Single-player action experience.
- 3 different maps (Warehouse, Harbour, Disco)
- 5 different enemy types that will hunt you down mercilessly.
- Get better and attain even higher scores.
- FLOWMOTION: Enhance your playthrough with the FLOW-induced disco rampage!
- Controller Support for the Xbox Controller for Windows.

This project was created by students in approximately 3 months in cooperation with the Games Academy Berlin.
